

HCS HRB 1299 -- EXECUTIVE BRANCH REORGANIZATIONS

SPONSOR: Flanigan

COMMITTEE ACTION: Voted "Do Pass" by the Committee on Rules by a vote of 10 to 0.

This revision bill revises the Missouri statutes to reflect the various governmental reorganization executive orders that rename and transfer programs and divisions within the executive branch that have not been updated since the adoption of the Reorganization Act of 1974.

PROPONENTS: Supporters say that the bill revises Missouri statutes to reflect various governmental reorganizations that were implemented by executive order.

Testifying for the bill were Representative Flanigan.

OPPONENTS: Opponents say that the portion of the original bill related to Missouri Medicaid compliance is a change from the current effect of the law and should be removed from the revision bill.

Testifying in opposition to the original bill were Missouri Pharmacy Association; Missouri Dental Association; and Missouri Assisted Living Association.

OTHERS: Others testifying, for informational purposes only, said this is a collaborative effort between Legislative Research and the various state agencies.

Testifying was Sandy Lueckenhoff, Legislative Research; and Lori Strong-Goeke, Office of Administration.
